YOUTH BASKETBALL

In 2009, the Brunswick County Parks and Recreation began its first organized Youth Basketball League. There were twenty five teams throughout the county with teams consisting of a Rookie Division made up of first and second graders, a Junior Varsity Division made up of third and fourth graders and a Varsity Division made up of fifth and sixth graders.

In 2010 the league added a new conference. The inaugural season had a West, South and North conference and in 2010 a Central conference was added. In 2011 the League added girls teams and in 2012 there were 53 total teams with 4 J.V. Girl's teams & 4 Varsity Girl's teams. 2013-52 teams, 2014-57 teams, 2015-59 teams, 2016-50 teams, 2017-47 teams, 2018-49 teams and 2019 -56 teams.

Support for this league has been tremendous with many volunteer coaches stepping forward to help teach these young basketball players. We are also excited that through a partnership with the Brunswick County Schools, these young teams are able to practice and play games at school gyms all over the county.

We here at the Brunswick County Parks and Recreation are excited about this league and the participation. This league is a positive step towards providing all young basketball players with a structured league that provides organized practices and games.

The Brunswick County Youth Basketball League with your help will continue to grow and be a positive outlet for Brunswick County Youth.

YOUR DONATION

Your donation to the Brunswick County Youth Basketball League will go directly to sponsoring participants that are not able to pay the registration fee. This will provide underprivileged children with the opportunity to play basketball.
