

## The Dark Side of the Light

LAURA VAUGHAN

Engulfed in Mortal Darkness and the increase of sin,  
There's a darkness which holds the illegal trafficking within.  
Here lies the lawlessness that has increased in the heart of man,  
Influence all over the world accepted it in the plan.  
The love of many have waxed cold and dark,  
We don't fight when the negative thoughts park.  
Standing in opposition of everything that is fair,  
The Mortal Darkness wants to take without repair.  
Face the darkness and repent in the light of love,  
There is still hope and help from above.  
Consistently submit and maintain an honest heart,  
Every day there is opportunity for a new start.  
As we Pray in the power of God's might,  
We will grow to stand in the true light.  
In the promise of the New Covenant,  
We've already won the fight!

For God, Who commanded the light to shine out of darkness, hath shined in our hearts,  
to give the light of the knowledge of the glory of God in the face of Jesus Christ  
(2 Corinthians 4:6).
