YOUTH SOCCER

In the Spring of 2015, the Brunswick County Parks and Recreation began the Brunswick County Youth Soccer League. There were 36 teams in the Spring & 36 teams in the Fall throughout the county consisting of a Beginner's Division made up of Pre-K & Kindergarten, a Rookie Division made up of first and second graders, a Junior Varsity Division made up of third and fourth graders (Boys & Girls) and a Varsity Division made up of fifth and sixth graders (Boys & Girls). Since 2015, youth soccer numbers have grown each season. 2018 saw the addition of a Jr. High Division & 2019 had a High School Summer program. Spring of 2020 was set to be our best season yet with over 600 participants and 67 teams ready to go right before Covid-19 hit and everything needed to be canceled. 2021 saw the league rebound with 447 participants & 62 teams in the Spring & 512 participants & 55 teams in the Fall, Spring of 2022 saw Brunswick County's largest League with 811 participants & 89 teams. Fall 2022 saw 617 participants with 72 teams.

We here at the Brunswick County Parks and Recreation are excited about this league! This league is a positive step towards providing all young soccer players with a structured league that provides organized practices and games.

The Brunswick County Youth Soccer League with your help, will continue to grow and be a positive outlet for Brunswick County Youth.

YOUR DONATION

Your donation to the Brunswick County Youth Soccer League will go directly to sponsoring participants that are not able to pay the registration fee. This will provide underprivileged children with the opportunity to play soccer.

- \$100.00 Donation - One Teams Uniforms**
- \$300.00 - Three Teams Uniforms**
- \$500.00 - Five Teams Uniforms**
