2025 Junior Dixie Boys, Dixie Boys, Dixie Pre-Majors & Dixie Majors State Tournaments

Greetings;

As Athletic Coordinator of Brunswick County, it is my pleasure to welcome you to Town Creek Park and Bolivia for the 2025 Junior Dixie Boys, Dixie Boys, Dixie Pre-Majors and Dixie Majors State Tournaments. We are pleased to have North Carolina's most promising young baseball talent participating in these events. We have hosted the North Carolina Junior Dixie Boys, Dixie Boys, Dixie Pre-Majors and Dixie Majors State Tournaments before and we're very excited about hosting again this year. We in Brunswick County would like to welcome you to Winnabow and Bolivia as well as wish you a comfortable and pleasurable stay.

We congratulate all the teams and their coaches for all the hard work they have put forth this year. Participants should be encouraged that they are already winners and should feel pride and great honor in their accomplishments, both as teams and individuals. I encourage you to always strive to put forth your best effort in all that you do. As a former participant in these Dixie State Tournaments, the experience gained has been a great asset for not only my baseball career, but many endeavors in my life.

In addition, I congratulate the players' families and those who have volunteered their time to help instill values such as teamwork, sportsmanship, confidence and discipline in these young people.

Again, welcome to Brunswick County. It is our hope that your stay will be a pleasant one and that you will return often. We extend our best wishes for a most successful State Tournament.

Sincerely,

Daniel Rabon

RESTAURANTS IN BRUNSWICK COUNTY

Flavors you're sure to love.

An experience you'll love to remember.

In the Seafood Capital of the World, the food—a savory blend of seafood, family favorites and tastes from around the globe—is only half the experience. The other half is the unique setting—family eateries right on the water, cozy places to share with a special someone, or Southern diners serving up home-style dishes. This is where the world-famous Calabash style of cooking originated—and by visiting Calabash, you can stop at any of the “original” family-owned restaurants.
