

Learn How to Provide Life Saving Care

Brunswick County Training Center is offering First Aid/CPR/AED Certification Training

The training is open to all Brunswick County residents whether you are already certified in First Aid/CPR/AED, and need to get re-certified, or if you have never been certified and want to learn how to provide Life Saving Care during an emergency!

The purpose of this course is to provide you with the knowledge and skills needed to recognize and respond appropriately to cardiac, breathing and first aid emergencies. Upon successful completion of the course, you will receive an ATEM (American Trauma Event Management) First Aid/CPR/AED certification card, which is valid for 2 years.

There are only 12 seats available per training session, so do not delay, be the first to reserve your seat! You must be at least 12 years of age to register.

Important: *If you are under 18 years of age, you must be accompanied by an adult guardian for the entire class.*

Registration will open soon on the Brunswick County Parks and Recreation website.
