Advance from Beginner to Elite!

Recreational to Competitive Cheerleading! March in Parades! YCOA Cheer classes provide a great learning experience for all students while promoting competitive spirit, self-confidence and fun! Young Champions combines pom & cheerleading into one program. Students are taught cheerleading techniques such as cheers and chants with arm motions, jumps, kicks, stunting basics and teamwork. Students are also taught dance routines and other dance techniques, using poms as necessary to visually enhance the choreography. We have incorporated the most modern and current dance techniques into our curriculum, and have developed teaching methods that work best for children and teens.
